

*Clearview Capital Seeks Add-on Acquisitions for
Workforce Solutions*

WORKFORCE SOLUTIONS

Clearview Capital, L.P. is currently seeking add-on acquisitions for its portfolio company, Workforce Solutions.

Workforce Solutions offers management consulting services focused on organizational improvement, leadership development, communications and advocacy for a broad array of clients. Its services are offered nationwide by a team of highly skilled and experienced consultants. Workforce Solutions' client base of organizations spans a broad array of sectors including industrial, education, healthcare, technology, transportation and leisure, and not-for-profits. Clearview Capital acquired Workforce Solutions, in partnership with management, in May of 2019 and is actively seeking potential add-ons with the following characteristics:

Leadership Development and Training	Groups with a background in developing and delivering executive- and manager-focused training solutions – on-site and/or using eLearning – along with designing and supporting employee engagement efforts.
Survey and Analytics	Organizations with experience in developing and executing employee-facing opinion surveys, workplace assessments, conducting focus groups and providing analytical results and recommendations based upon those results.
Digital Strategies and Web Design	Consultants/consulting groups adept in web design and/or a proven ability to leverage social media to advance a client's or organization's goal(s) across multiple audiences, internal and/or external. In-house video development and production capabilities a plus.
Communications	Organizations with experience in promoting and supporting change management efforts, driving employee engagement and developing tailored strategies for diverse audiences. Background in/knowledge of labor relations and human resources preferred.

All add-on candidates should also meet the following criteria:

- Annual revenues of at least \$2 million
- Strong, sustainable competitive position
- Favorable growth prospects and strong customer relationships
